NATURAL COLOURS

Gentle colouring? Think NATULIQUE Natural Colours. The most gentle, **100% ammonia free**, **high performance professional hair colour in the world**. With NATULIQUE Natural Colours you can offer your clients a change of colour with the maximum gentleness.

NATULIQUE Natural Colours has the ability to cover white and grey hair 100% and is able to lighten the natural hair colour with up to four tones/lift. It is a long lasting permanent dye, but extremely gentle at the same time. It is particularly recommended for use with delicate, treated and sensitive scalp and hair.

NATULIQUE Natural Colours, an organic based permanent hair colour system, comes in a cream form for easy mixing and application. NATULIQUE Natural Activator is a slightly oxidizing composition with a high level of lanolin being one of the beneficial ingredients, significantly increasing the natural protection and level of moisture in the hair. After colour service the hair structure is therefore ensured, sound and natural.

NATULIQUE Natural Colours is an exclusive and innovative colouring system that is perfect for even your most demanding clients. Many hair stylists have already discovered the advantages of NATULIQUE Natural Colours - the permanent, yet gentle, professional hair colour.
